

Reminders for  
RISING STARS Team Managers

☆ PROBLEM SOLVING:

Provide an opportunity for your Rising Stars team to find alternate solutions to tasks.

☆ Ask questions to facilitate.

(for example: Your team is too young to use a hot glue gun. You say to them: What are different ways to attach things? What else can you think of?)

☆ You CAN teach them to use tools safely.

☆ PERFORMANCE:

☆ We expect your RISING STARS team to:

☆ Move props and scenery THEMSELVES.

☆ Put on costumes THEMSELVES.

☆ Use any musical devices THEMSELVES.

☆ Do anything that needs to be done during the play  
THEMSELVES.

☆ Wear shoes at all times.

☆ GOAL:

☆ Help the kids solve the challenge THEMSELVES!
