

WELCOME TO

Creativity has the power to change the world.

Becoming a team is a life-changing experience.

Our world's future depends on extraordinary **problem solvers**.

2010-11

What is Destination ImagiNation?

Destination ImagiNation is an educational activity in which student teams solve open-ended Challenges and present their solutions at Tournaments.

DI is available across the US and in more than 30 countries.

New Hampshire Destination ImagiNation

Over 1,500 students in over 150 Granite State Schools
30th year of programs in New Hampshire Schools

What DI Believes

Destination ImagiNation, Inc. believes in promoting three life-long values: Creativity, Teamwork, and Problem Solving.

Creativity

Creativity has the power to change the world.

Teamwork

Becoming a team is a life-changing experience.

Problem Solving

Our world's future depends on extraordinary problem solvers.

The Basics

The DI Program
Participation
Competition

2010-11

The DI Program

- Kindergarteners to university-level students can participate.
- Students must participate in 2- to 7-person teams.
- Teams compete in any of 7 *Team Challenges*.
 - A Destination ImagiNation Challenge is a fun exercise that socially and intellectually activates students by prompting them to use creativity and teamwork to solve a problem.
 - We offer the following types of *Team Challenges*: Technical, Scientific, Fine Arts, Improvisational, Structural, projectOUTREACH, and Rising Stars!

The DI Program

Teams showcase their Challenge solutions in Tournaments:

- Teams first attend Regional Tournaments.
- They can advance to Affiliate (State) Tournaments.
- Top teams advance from Affiliate Tournaments to the DI Global Finals at the University of Tennessee in Knoxville.

Participation

There are 5 age levels in DI:

- Rising Stars! (ages 4 to 7, non-competitive)
- Elementary (K to 5th grade)
- Middle (6th to 8th grade)
- Secondary (9th to 12th grade)
- University

Participation

- Teams start by purchasing Team Numbers on www.IDODI.org.
- Teams receive the *Team Program Materials*, the central resource every team must have and use to participate in DI.
- Teams choose a *Team Challenge* and work for 8 to 12 weeks devising unique solutions.
 - The solutions come solely from the students; at no time is parental Interference allowed.

Competition

- At Tournaments, teams present their solutions to Appraisers for score.
- They also compete in *Instant Challenges*, which are:
 - Short, time-driven impromptu Challenges.
 - Confidential until the day of the Tournament.
 - Performance-Based, Task-Based, or a combination of the two.

Competition

- Unless they are competing in the Improvisational Challenge, teams must also complete two *Side Trips*. *Side Trips* are:
 - Team-determined, scored elements of the *Team Challenge*.
 - Opportunities to showcase and receive points for team effort or skills not already assessed in the *Team Challenge*.
- For example, if a team has made elaborate costumes for a Performance, but costumes are not a scored element of the Challenge, the team can ask that its costumes be scored as one of their *Side Trips*.

The Specifics

The DI Program This Year's Team Challenges

The DI Program

- The DI Program is based on a powerful process called creative problem solving.
- Creative problem solving involves:
 - Creative Thinking – generating multiple ideas, imagining unusual possibilities, making meaningful connections, elaborating upon options
 - Critical Thinking – focusing, analyzing, evaluating and judging in order to make effective decisions

The DI Program

- Challenges employ Experiential Education, which helps children access their creativity, learn how to work as a team, and gain experience in solving problems.
- An emotional connection to the subject matter promotes student learning.
- In DI:
 - Students have FUN!
 - Students gain lifelong critical and creative thinking skills.
 - Students learn to work together to achieve goals.

The DI Program Season

Stage	1				2				3				4				5
Week	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17
	2-4 Weeks Building your Team / Understanding the Challenge				2-4 Weeks Generating and Incubating Ideas / Research / Inquiry				2-4 Weeks Focusing / Preparing for Action / Putting It All Together				2-4 Weeks Ready, Set, Go! Preparing for your Tournament				CELEBRATE!

2010-11 Team Challenges

- *Team Challenges* take teams weeks or months to solve.
- In Destination ImagiNation, the *Team Challenges* are new and different every year, and they are developed by volunteers.
- *Team Challenges* have specific focuses.

Your team will:

- Design and build Equipment to move various Materials to and from towering heights
- Start and end the Presentation with the Equipment contained in a Storage Box
- Create and present a Sales Promotion highlighting the features of the Equipment
- Complete all of the above with no AC electrical power

Your team will:

- Research Energy Cycles in the Natural and/or Physical World
- Develop and present an original three-act Circular Story that demonstrates knowledge about one Energy Cycle of the team's choice
- Create a Dicycler that changes as the Story progresses and the acts change
- Create a Finale that uses your Dicycler to signal the end of your Presentation

Your team will:

- Use different Storytelling Methods to tell the same story to three team-chosen Pretend Audiences
- Portray the Travel Methods used to move your Traveling Road Show between different Pretend Audiences
- Integrate a team-created Technical Spectacle into one Presentation to a Pretend Audience

At the Tournament, your team will:

- Create a five-minute Improvisational Skit involving a Mythical Creature. This must be done in a five-minute Preparation Time period at the Tournament.
- Incorporate research about a Culture from a country
- Incorporate three Souvenirs randomly selected from the list of items and combine them to create one Master Prop
- Incorporate an Unexpected Problem that is discovered on stage

Your team will:

- Design and build a Structure made only of Aluminum Foil, Wood and Glue
- Test how much weight the Structure will hold
- Present a Story about a character that is Foiled
- Integrate team-written Verse and published Verse into your Story

Destination ImagiNation®

**dynamic
networks**

projectOUTREACH®

This Challenge has two distinct portions:

- First, your team will design and carry out a Project to address a real community need and integrate a social network.
- Second, at the Tournament, your team will showcase your Project with an Album and a Presentation, as well as complete an *Instant Challenge*.

Your team will:

- Learn about bugs and how they work with other living things
- Create a play that tells about Big Bug's bad day
- Explore how Big Bug's friends try to make the day better

Getting Involved

Volunteering
Why DI?
Corporate Sponsors

2010-11

Volunteering

- As a non-profit organization, DI's success is dependent on a strong volunteer base of more than 38,000 people.
- By volunteering, you can help continue DI's cause and help children learn the skills they will need to become the world's future leaders.
- There are volunteer roles available at every level.

Volunteer Roles

- Team Managers
 - Facilitate Destination ImagiNation teams. Many Team Managers are parents, teachers, or community members.
- Coordinators
 - Help form teams, coordinate and support Team Managers, register team memberships with DI, register teams with the local and Affiliate (state) organizations, and communicate information to teams.
- Tournament Staff
 - Help make Tournaments successful in a variety of ways.

Volunteer Roles

- Appraisers
 - Watch the teams' Presentations at DI Tournaments and award points for Challenge solutions.
 - Requires one Saturday for training, one Saturday at a tournament.
 - Every NH team must provide an Appraiser.
- Two-Hour Volunteers
 - Help us run the tournaments by working in concession sales, watching doors, staffing the information table
 - Every NH team must provide a two-hour volunteer.

Volunteer Roles

- Regional Directors
 - Coordinate DI activities for a specific geographic area.
- Affiliate Directors
 - Coordinate DI activities for their state or country. They also liaise with other members of the DI community to help the program grow and flourish.

Why DI?

Students who solve DI Challenges will:

- Improve creative and critical thinking skills.
- Discover and develop leadership qualities.
- Build life-long friendships.
- Discover that learning can be fun.
- Build skills that employers and colleges need and are looking for.

Why DI?

- “[DI] is a great opportunity for children to learn – to learn teamwork, to do the things that will make them great citizens in the future.”
 - Paul Rovey, National Dairy Council
- “Creative problem solving has been a way of life for me since I was 8 years old, and it is a vital part of my life to this day. Still, I look back on my competitive experiences with such fondness that I wish every child could have the same experiences I have had.”
 - Simon Dodd, DI alumnus,
MIT graduate and Senior Engineer, Lexmark Intl.

Why DI?

- “A young person receives a tremendous amount of benefit from being associated with the DI program. They experience the passion of problem solving and the enjoyment that releasing creativity has.”
 - Dr. Scott Isaksen, CEO, Creative Problem Solving Group
- “I know that participating in the program for ten years has given me the skills and education to fully realize my own dreams of public service to the American people and global community.”
 - Rebecca Middendorf, DI alumna,
Office of the Global AIDS Coordinator, U.S. State Dept.

Why DI?

- “[DI] prepares children for the workplace. You see creativity blossoming.”
 - Alex Cirillo, VP, 3M Foundation
- “Why do DI? I have personally witnessed, in the 6 years I have been involved as a parent or manager, children gaining incredible poise, confidence and leadership.”
 - Lori Anderson, Team Manager, Burtonsville, MD

Start a Team!

- All you need is a Team Number.
- There are 3 ways to purchase a Team Number:
 - You can purchase one online;
 - You can mail in a Start a Team application; or
 - You can call 1-888-321-1503 and talk to a representative.
- Don't worry: all of this information is available online.
- Just visit www.IDODI.org and click on "Start a Team!"
