# Are YOU the DI Coordinator?

## Here's your job description!

Things to do:

1. **SEND** out some DI flyers or place an article in your school newsletter!
2. **BUY** your DI Team-Pak at [www.shopDI.org](http://www.shopDI.org)
3. **ORGANIZE** a Destination Imagination Night and get others excited. Enlist those unsuspecting parents and others to be Team Managers & Volunteers -- NOW!
4. **EMAIL** workshop information, team registration forms, etc. for your Team Managers.
5. **CONFIRM** that your Team Managers have *all* the program materials (e.g. Challenges, Rules of the Road, Clarifications, Guides, etc.) and understand the process of emailing DI for Clarifications to get answers to their team's Challenge questions.
6. **REGISTER** your Team Managers for one or both of the NH-DI training sessions. See specific flyers.
  - Newbie Workshop (10/27) is a MUST for new Team Managers (not RS!!)
  - The Team Managers' Cafe (11/17) is for vets, Rising Stars! & newbies!
7. **RECRUIT** one enthusiastic, positive, kid-friendly adult *per team* to be an appraiser. **Start now!** No prior experience in creative problem solving needed. Appraisers *must* go to training and volunteer at one NH-DI tournament – we cannot run our tournaments without them!
8. **REGISTER** all teams for their NH-DI Regional by **December 18, 2012**. Collect all team information for online input on or before 12/18. Payment may be made with check, credit card or PO #. Payment *must* be received before your team can be officially registered.
9. **SIGN-UP** your teams for...
  - **Instant Combustion, Improv & Skills Workshop** on Saturday, 1/12/13 at UNH/Durham. There will also be breakouts with Affiliate Challenge Masters to ask questions about the team's challenge.
10. **UPHOLD** the Destination Imagination rules and NH-DI philosophy.

If you do not have the time or do not wish to do this job, PLEASE give these materials to the appropriate person at your school or in your organization.

### Choose a Coordinator carefully!

When you join the Destination Imagination Program, you will be asked to fill in your school's information. This includes the name of the coordinator. This person *must* be email and Internet-savvy. He/she will receive both DI National and NH-DI materials. He/she has the critically important job of communicating all information on to the Team Managers, school officials, and parents when necessary. Without this important communication link, teams will not know of Challenge updates, training opportunities, tournament information, or lots of other important stuff.

PLEASE CHOOSE SOMEONE WITH EASY ACCESS TO ALL PARTICIPANTS AND WHO HAS THE TIME AND COMMITMENT TO MAKE THIS ALL POSSIBLE

Thank you and have a DI-  -ite year!

# Getting Started with Destination Imagination® in NH

## What is required to get a Destination Imagination program going?

1. **A Team-Pak!** Just **register online** ([www.shopDI.org](http://www.shopDI.org)) or send in that registration form!
2. **Support!** If school-affiliated, the school's administration should be involved and supportive, because not only is this program great for kids, but it frequently generates media attention and can be a significant source of positive public relations between the school and the community.
3. **Some funds!** The annual Team-Pak fee, team registration for the NH-DI tournament, and team supplies are usually provided by the host school/organization/team sponsor. See below!
4. **A Coordinator!** There should also be a liaison person (a coordinator) to facilitate communication between our state NH-DI office and the school, and between the school and the Team Managers.

## Get your new DI Team-Pak for 2012-2013

Sign up online at [www.shopDI.org](http://www.shopDI.org) or download a paper registration form and mail the completed form to Destination Imagination in New Jersey. Choose either the Individual or a 5-Pak of Teams. You will receive program materials for each team in a printed format. Additional copies of this program material can be purchased for \$25 from DI or you can just download & print from the Destination Imagination website after you have purchased your Team-Pak.

## Here's how to get more people interested!

1. Set up a meeting at your organization or school for interested parents. Use the "Sample Letter to Parents" on the NH-DI website in the Paper Library, just fill in your meeting information and send it out. Invite administrators, faculty members, and the school board as well. **Contact us if you need some help with materials, ideas, or if you'd like us to come and help present an info night!**

\*Remember: NH Destination Imagination is not a program you can run by yourself. You will need the commitment of others to volunteer as officials, team managers, and supporters.

2. Have your new Team Managers go to the Newbie Workshop. We offer training workshops with lots of helpful handouts. This session is appropriate for anyone wanting to know more about Destination Imagination or how to present creative problem solving challenges to children. This workshop will surely make them enthusiastic about the program and more confident in their role as Team Manager.
3. Send veteran Team Managers to our annual Team Managers' Café. This is an all-day workshop for all experience levels held on a Saturday in November. Workshop sessions include: group dynamics, multiple intelligence, techniques for problem solving, and lots more. Most sessions are hands-on, interactive, and fun! Our workshops are open to any parent, team manager, program supporter, school administrator, teacher, etc.

## **Are you too late for this year?**

Maybe, maybe not. Many teams do not start working on the Destination Imagination Team Challenges until Thanksgiving. Some teams start as late as December/January. It certainly is nice if you have time to practice some team building activities in the fall (available at our training) before getting into actual Challenge solutions. You will need to gauge the time available and the commitment of your team.

If it's January, you'll have to be sure everyone is *really* committed. It is unfair to make a team rush through a solution and not have a positive experience. However, if you are really willing to focus on the creative process and team building and not let the frenzy of the competition and having a "finished" product get in the way, your team could have a really worthwhile first experience with Destination Imagination!

## **If you're really too late, can you do anything this year to prepare a team?**

- There are tons of books with creative problems to solve (there is a great bibliography in the Team Managers' Guide). NH-DI offers many of these books at our Café Trainings. Use some of these resources to get teams of kids interested in CPS and having fun!
- Bring potential team members, parents, or school reps to our tournaments to enjoy and learn. They will have a much clearer idea of what the program is all about.
- A perfect way to learn more this year would be to volunteer as an Appraiser. Every team must have an Appraiser, so you could gain first-hand experience and fulfill an important role for a school's team! Find interested parents or school personnel to join you and have them become Appraisers too. We train 350 Appraisers to volunteer at our tournaments in March and they get the chance to see the program in action. Appraisers get a full understanding of our philosophy, goals, and rules, which makes working with a team next year a snap!
- Consider building your program by getting everything ready for the following year!

## Important Appraiser Information for 2012-2013

Each team must have an adult represent their DI team as an appraiser or pay a fee. Appraisers need no prior NH-DI experience or knowledge. They will be well trained and work with an experienced team of officials.

As an Appraiser, you can enjoy knowing you have helped provide an outlet for children's creativity. You will also receive an officials' t-shirt and an Officials' luncheon.

### Who can be an appraiser?

Appraisers are parents, administrators, school board members, team managers and community business people, but not high school students—sorry! Just be sure that the Appraisers you select are kid-friendly and have a sense of humor! We love new Appraisers!

If you are a team manager, you will make a great appraiser but may not work in the Challenge you are managing or appraise at your team's Meet!

If the appraiser representing your team is a parent of one of the team members, they cannot be assigned to their child's challenge. And if they sign up to officiate at their child's meet, *they will not* be able to see their child's performance. No exceptions can be made! Please insist that they attend another Meet on the alternate weekend in March!

### What is the time commitment?

Appraising is a two-day commitment—one Saturday training & a Regional Tournament.

Appraisers must attend one of the training sessions held in late January or early February. However, some Appraising positions do not require training (see "Special Appraiser Positions" below) or re-training. If your appraiser has previously trained and appraised Instant Challenge, they may not need to attend a training session, but will need to take the online IC Appraiser test.

Please take this two-day commitment seriously. This program teaches kids about commitment and teamwork. We expect the adults to set the example. If you sign up, please follow through and attend the Saturday training and officiate at your assigned Meet.

### How does our team's appraiser sign up?

Head to [www.nh-di.org](http://www.nh-di.org). Appraisers need to review the job choices, the synopsis of the current challenges, and then complete the online Appraiser Registration Form. Your appraiser will need to know your Team Pak number or the Team Manager's information to register. Incomplete registrations will not be processed.

Appraisers registering earlier are more likely to be assigned a position they requested. We make every effort to assign appraisers based on their 1st, 2nd or 3rd choice preferences.

All Appraiser information is due by December 18, 2012.

Appraisers will be sent their assignment and all necessary materials and directions on the upcoming training sessions by email in January.

## How do we find an appraiser?

If you are looking for Appraisers, DO IT NOW! Being an NH-DI appraiser is a lot of fun! Try to entice someone who is unfamiliar with the program—they will enjoy the experience!

To help you locate Appraisers, you may check our online list of NH-DI's experienced appraisers from 2012 by town. Contact them to be your team's Appraiser for 2013! Every Appraiser must commit to attend both a training session as well as officiate at one tournament. Of course, your Appraiser can sign up for a second Regional to support an additional team!

## What happens if we don't have an appraiser?

Teams without an appraiser can pay a \$100 fee at the Regional level and \$125 at States in order to be officially registered. If an assigned and registered appraiser does not show up at training, the team will be invoiced for the \$100 fee. Teams must make sure that the adult designated as their Appraiser take their commitment seriously. Please understand that we have this policy only because NH-DI is run totally by volunteers and we can't provide tournaments without the help from each team. We want your volunteers—not the money.

## Special Appraiser Positions

These positions usually allow your volunteer to see specific team performances. There are a very limited number of these positions. Sign up early by calling (603) 868-2140.

- Sales Table Coordinator (2 per tournament)  
This person is responsible for the set up and coordination of the sales table at the tournament. This is a full day job. This person works with other sales table officials to handle sales of merchandise, process credit card purchases, and assist customers. A short training is required.
- Appraisal Food Coordinator (1 per tournament)  
This person is responsible for provision of breakfast and lunch for tournament officials (approximately 100). This is a full day job and includes shopping, set up, and maintaining the appraiser room. Volunteers will be assigned to help with food prep. Budget and shopping lists will be provided by NH-DI. No training is needed; however Food Coordinators will need to communicate with their Regional Directors before the Meet.
- Tournament Medical Official (1 per tournament)  
Must be a certified RN, EMT or MD to be on call at the tournament all day for any health or medical problems. Tournament will provide an appropriate space for treatment as necessary. No training needed.

## About Our NH-DI Rising Stars! Teams

- The Rising Stars! program is for fun, practice, and performance experience! The team presentations are not judged, but are given positive feedback. Usually, the students who participate in this program are less than 9 years of age. However, older students may be included on Rising Stars! teams if the Coordinator/Team Manager considers it appropriate.
- The Rising Stars! Challenge includes a guide with activities geared towards our youngest participants. **Roy G Biv** (the 2012-2013 Rising Stars! Challenge) is part of the Destination Imagination program materials, or can be purchased online at ShopDI. This RS! Challenge has language and complexity appropriately suited to young problem solvers as well as other materials for teaching creative problem solving tools, critical thinking, and teamwork to young children.
- NH-DI welcomes all Rising Star teams to our regional tournaments. We like to encourage early participation in the program. There are specially trained Appraisers and awards for NH-DI Rising Stars! teams.
- Rising Stars' Team Managers are encouraged to sign up for the Team Managers' Café in November and take part in a special training prepared just for RS! team leaders!
- **IMPORTANT**—Rising Stars! Teams need to have a team number to participate at a Regional Meet. There are two ways to get one.
  1. A RS! team can be part of a school Destination Imagination 5-team Pak
  2. A RS! Team can also pay \$55 to DIHQ on [www.shopDI.org](http://www.shopDI.org)
- The NH Regional Fee for a Rising Stars! Teams is \$100 (after 12/18--\$125).
- Rising Stars! teams may have more than seven members on a team and all team members may participate in every aspect of the tournament including Instant Challenge.
- There is a special Instant Challenge for Rising Stars! at NH-DI Regionals & it is FUN!
- RS! teams are NEVER scored.

Sign up online for a RS! workshop at our UNH event on 1/12/13!

**Looking for something different?  
Want to combine DI and Community Service?  
Then projectOUTREACH<sup>®</sup> is just for you!**

**About projectOUTREACH**

projectOUTREACH<sup>®</sup> is a Destination Imagination *Team Challenge* designed to engage students in community activism. In projectOUTREACH, teams are invited to address real community issues through personal expression. Teams of middle school, high school, and university-aged students are being challenged to use their creativity, thinking skills and teamwork to make a DI-ference.

This season, teams participating in projectOUTREACH will create an advertisement and a marketing brochure about their projects. Each team can select any specific issue in their local community, and then they will use their best creative problem solving, project management and analytical thinking and teamwork skills to work towards a solution to address that issue. As their community projects evolve, teams are invited to engage others in their community to promote their cause. Teams will then present their community projects at the NH-DI State Tournament

***Reel to Reel***, the 2012-2013 projectOUTREACH Challenge, is inspired by MAE, an indie-rock band from Norfolk, Virginia.
