

Dear DI Supporter,

Thank you for planning to attend your DI team member's presentation! The preliminary schedule is subject to change, so to make sure that you get to the correct presentation, please look on the printed tournament schedule for the following:

(Team Challenge)

(School/Organization Name)

(Team Number)

The schedule will include times for both the Team Challenge and the Instant Challenge. The Instant Challenge will NOT be open to the public, EXCEPT in the case of Rising Stars!

PLEASE REMEMBER: Anyone can help the team bring their props into the school, and take them to the Prep Area. Once they are in the Launch Area, ONLY the team may handle the props.

ONLY the TEAM may fix their hair, put on their makeup, or repair their props (even if a prop is accidentally damaged by an adult). Any adult assistance might be considered INTERFERENCE, and cause the team to lose points. The TEAM can do it THEMSELVES! They really can!

After the end of the performance, anyone may help to remove the team's props. However, please wait until after the Appraisers have indicated that they have finished talking to the team. At that point, your help in quickly clearing the Performance Area will be appreciated.

ADDITIONAL NOTES FOR PARENTS:
