PRESENTATION PREVIEW (required for every Challenge except the IMPROV Challenge):

Prior to your team's performance, one or two team members may read the following preview to the Appraisers and the audience. The intent is to give the Appraisers (and the audience) a quick preview of the skit, similar to what you might find in a TV listing. If the team does not want to read the preview, it will be read by an Appraiser. Please limit your preview to approximately 50 words. This preview will not count toward the team's presentation time, and it will not be scored as a part of the team's solution.
