

# TOURNAMENT DATA FORM TECHNICAL CHALLENGE: DIG IN / PAGE 2 OF 3

Team Name: \_\_\_\_\_ Team Number: \_\_\_\_ \_ - \_\_\_\_ \_

School/Organization: \_\_\_\_\_ Level: EL ML SL UL

## PART THREE

This Challenge requires the team to supply the following information to help the Appraisers evaluate your solution. This is PAGE TWO of the form. Be sure to fill in all pages.

1. Describe Equipment Technical Methods used to detect Objects
2. Describe Equipment Technical Methods used to remove Objects
3. Describe methods used to move Objects across the Finish Line
4. Briefly describe your Containers
5. Briefly describe your designated Character
6. List numbers 1 through 16 on the Start Area Diagram below. Each number will indicate the approximate location of the Container with that number during the Presentation.

**Finish Line in this Direction**
